

testing::Test

```
classDiagram
    class testingTest["testing::Test"]
    class FarmermarketTest
    FarmermarketTest --|> testingTest
```

The diagram shows a class hierarchy. At the top is a class box for 'testing::Test' with three empty compartments. Below it is a class box for 'FarmermarketTest' with three compartments. A blue arrow with an open triangle head points from the 'FarmermarketTest' box up to the 'testing::Test' box, indicating inheritance.

FarmermarketTest
